

STORIES

Le retail n'est
plus rien ou alors
Tout est retail.

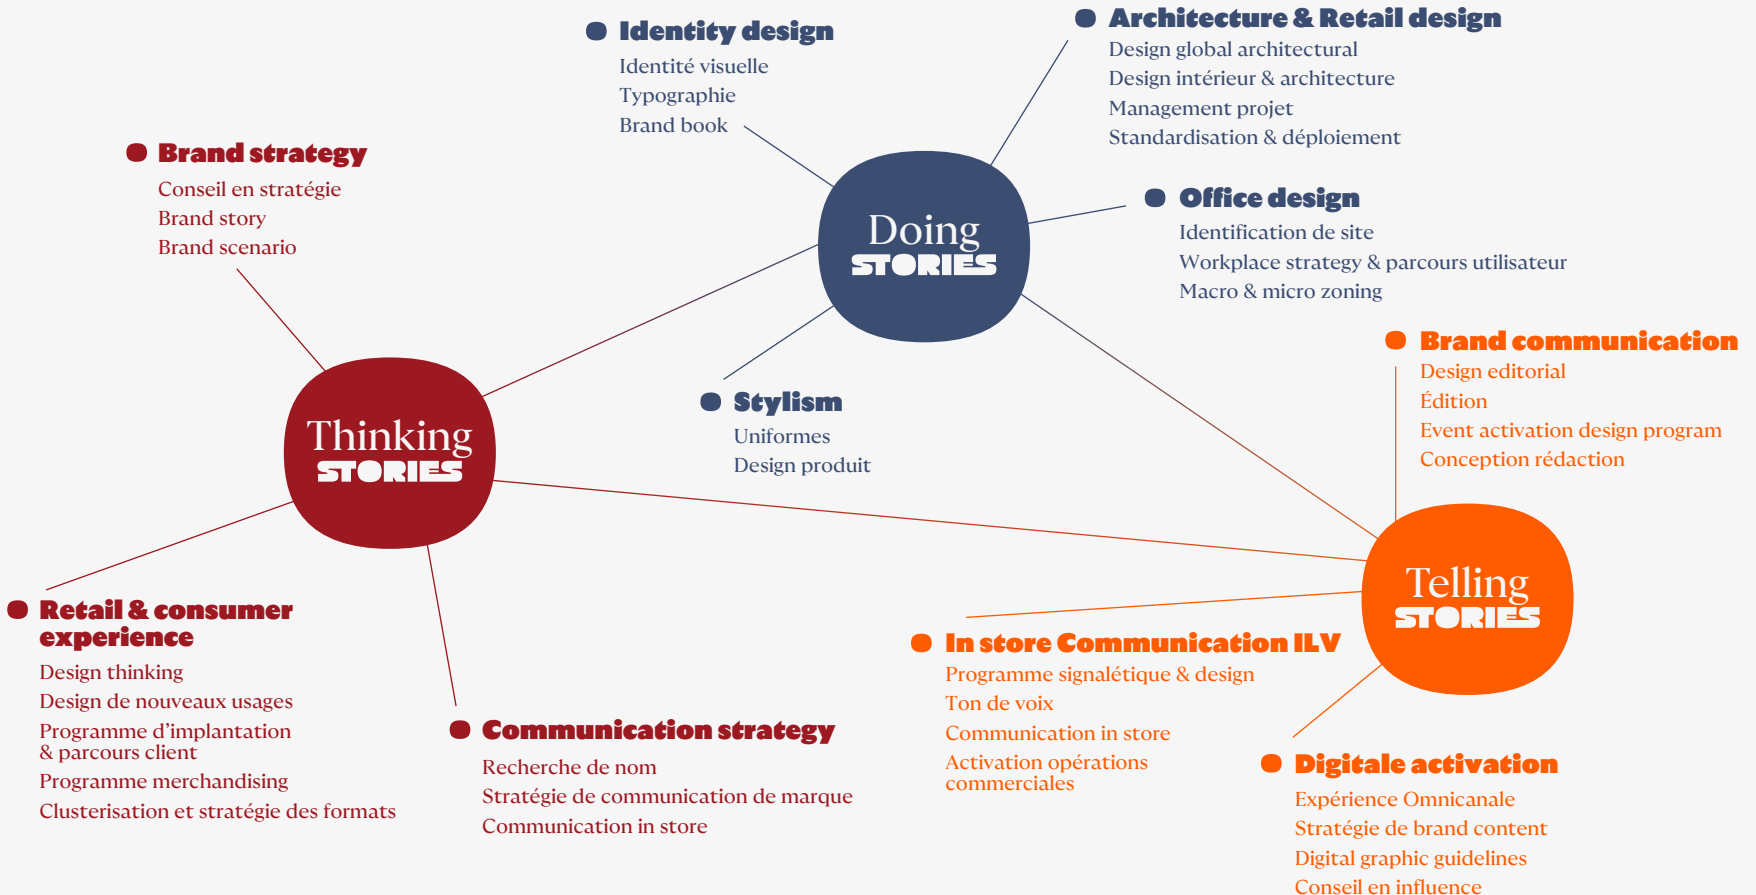

FINIE LA CONVERSION

Place à la conversation.

A vibrant, multi-colored powder explosion against a black background. The colors include shades of blue, purple, pink, red, orange, yellow, and green, radiating outwards from a central point. The text "Retailing is relating." is overlaid in white, with "relating." in a bold font. A small orange square with the letters "ST" is positioned at the end of the word "relating".

Retailing is **relating.**ST
